

The Brassie

Vol. 5, Issue 4

The Golf Collectors Society of Australia - October '07

To the Fore - Captain's Report.

The annual Hickory Championship will be held at Rosnay (Auburn) over 18 holes on Thursday 15th Nov. with tee times from 12.30. Please contact Tom or myself if you wish to play. There'll be scratch, nett and an inaugural teams event (Pres. V Capt.) Our A.G.M. will be on 22nd Nov. at North Ryde G.C. at 5p.m. - see details in enclosure in this issue.

Recent events included the annual Avalon day, 21/9, followed by the Cammeray 9 hole event, with 28 players. 19 pts. took the prize and a great day was had by all. Al Howard regaled the group with stories about Archie Keane, former Cammeray pro and some interesting history. The event will be staged again in '08.

The Murray trip (see last Brassie) has had to be re-scheduled for Apr/May '08.

Oct./Nov. '08 we'll take the Hickory Experience to our W.A. friends - details will be available prior to Xmas.

Tom took the GCSA flag to the Gold Coast 6-9th Sept. and reported great interest. We'll be on show again at the Australian Open 13-16 Dec. - volunteers to man our tent will be greatly appreciated - let us know if you can help any of those days please. We are trying for a bit of T.V. exposure for our group and in particular, for the Howard family as Dad made the first of a number of appearances at the "Ozzie" in 1931 (aged 18). In that field was T.E. Howard (Dad's father), the winner in 1923. Our ABC Collectors segment will air on 23rd Nov. Don't miss it!

A quote from Hank Aaron (Hall of Fame Baseballer - held for 33 years the home run record of 755) "It took me 17 years to get 3000 hits in baseball. I did it in one afternoon on the golf course."

Best Regards, Ross Howard.

FEATURE ARTICLE

In the 1920's a mini golf craze swept the world. In almost every city and town small putt-putt courses sprang up on every spare piece of ground available. A course would be constructed on about 400 square metres of land.

The need for putters caught manufacturers by surprise. To keep up supplies thousands were manufactured with cheap metal heads. Many were double sided to cater for left and right handed players.

With the onset of the great depression in the early 1930's the craze died out as quickly as it had started. To-day there are a few modern putt-putt courses providing enjoyment for those seeking a taste of the grand game of golf.

Classically attired attendees at the ABC photo shoot at Rosnay -the screening will be on the 23rd of November on the Collectors programme at 8pm.
